THE LG PROFESSIONALS SA IGNITE PROGRAM IS A LEADERSHIP LEARNING PATH FOR SUPERVISORS, TEAM LEADERS AND COORDINATORS IN LOCAL GOVERNMENT ACROSS SOUTH AUSTRALIA.

As a new leader with limited experience in managing and leading people, this program focuses on enabling you to develop the competencies required to be successful in your role.

While leaders are often technically competent, many have had limited opportunity to develop new, or extend the existing, critical skills needed for leading and managing people. The importance of developing these qualities for people in these roles is critical and cannot be underestimated.

PROGRAM METHODOLOGY

The Ignite Program spans 12 program days and is delivered over 11 months.

The program will be delivered in a live virtual classroom and has been designed to engage participants by regularly reflecting and debriefing on the local government challenges they face, and sharing strategies which have been successful or failed, all in the spirit of learning.

The content delivered in each of the modules includes case studies, assessments and conversations all tailored to our unique sector.

Upon successful completion of the program you will receive full accreditation of Certificate IV in Leadership and Management.
